

e-Roma Resource

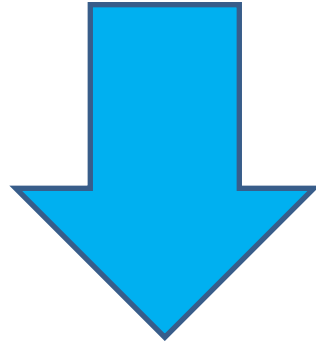

Search, use, share and broaden horizons

Dolenjske Toplice, 26th and 27th November 2015

Ana Granda Jakše, RIC Novo Mesto

Pr. Number: 543541-LLP-1-2013-1-SI-KA1-KA1NWR

PURPOSE OF THE PROJECT

Encouragement, dissemination and exchange of results and materials in the field of Roma inclusion in different spheres of social life.

Partnership

- **Development and Education Centre Novo Mesto**, Slovenia, lead partner
- **Trnavska univerzita**, Slovakia
- **The Union of Associations MULTIKULTURA**, Poland
- **ADICE – Association pour le développement des initiatives**, France
- **Adult Education Centre Kočevje**, Slovenia
- **Hrvatski zavod za zapošljavanje**, Podružni ured Karlovac, Croatia

What do we want to achieve with the platform?

- To influence the awareness of the importance of cooperation and exchange of best practices for successful operation in the field of Roma inclusion.
- To collect materials and various projects and project results in the field of Roma inclusion in Europe.
- To promote the use, presentation and publication of various already existing materials in the field of Roma inclusion on the e-RR platform.
- To present good practices in the field of education and training, policies and important documents in the field of Roma inclusion.
- To connect and create networks of various institutions working in the field of Roma inclusion.

PROJECT RESULTS

<http://www.eromaresource.com>

an international online educational and informational platform, where information will be available to educators, teachers, adult educators, counselors, social workers, medical professionals, project planners, experts in individual fields, adult Roma, Roma pupils.
